Its name goes back to the days of Archduchess Maria Theresia, when the mail coach service between Vienna and Triest used to stop here to change horses. The former stables with their vaulted ceilings have been turned into spacious lounges, suites and seminar rooms with a very special flair. The choreographer behind the interior decoration was the world-renowned British architect and designer Sir Terence Conran. Stylishly-served refreshments from the Friuli Collio region in a classic atmosphere will be a delight for your senses. Enjoy „Das Triest“!

Opening hours at the Silverbar
